Academy Eleven Opens Season With a Victory-Score 25 ot 0-Red and White Backfield Tore Off Large Gains-Subs Have a Chance to Work Out.

Windham High proved pretty soft for the Academy in the opening game of the season on the campus Saturday afternoon, and when the dust cleared away from the N. F. A. stampede of gaining first downs on single rushes, the red and white bearers had rolled up 25 points to Windham's goose egg. As the early football season is a risky thing on which to base much criticism, there is generally much interest in the first showing, and Saturday's contest displayed that there are all kinds of chances for improvement on both teams in interference and speed.

The defensive work of the up-state boys was ragged and only once did they force N. F. A. to punt, while their attack lacked the punch and vim, although in the beginning of the second half they showed signs of renewed strength, which lasted only a few minutes.

The Academy boys tore off large with the control of the season is at halfback and proved to be a consistent ground gainer. Bill Stanley, a speed merchant for circling ends, fight half, was full of pep and was a tower of strength in the Windham attack.

The Academy boys tore off large gains in rapid succession, but they lacked speed at the start, and there is plenty of work ahead to develop this asset of the game. The Academy nevertheless must be given much credit for their initial showing after having only two days of scrimmage.

Coach Overbagh gave the subs a chance to taste the blood of a gridion hattle, who showed up to advantage, putting bigh spirits in N. F. A.'s camp. Two of the silckest forward passes twere executed by the Academy that tryout in this quarter. Windham did her best work and gained two first downs in succession, but were compelled to kick. Also in this quarter the Academy tried its forward pass and with the ball in Windham's possession on a fumble. The first team backfield entered the play in this quarter and on obtaining the ball rushed it down the field. Two O'Hearn placed the ball in position for a score and Mullen took it over. J. New York, Sept. 25.—Free absorption of investment shares, chiefly the high class rallways on the largest scale witnessed in many weeks, was the distinguishing feature of today's two hour Crimson Wins but the Minors Score 6 Points.

While Harvard trounced Colby in approved style at Cambridge Saturday afternoon, the game little Pine Tree Staters came back in the closing period, rushing the ball 50 yards for a touchdown against a substitute Crimson. The score was 39 to 6, Hendrix, the visiting fullback, scoring the points which disposed of Harvard's ambition to keep her goal line uncrossed this fall.

The Crimson while its first string eleven was in during the first two periods rolled up 20 points, Capt. Mahan scoring two of the three touchdowns and in addition flashing off two thirty-yard rus.

The varsity backs used a "corkscaw" run after Colby's forwards had been disposed of that was extremely puzzling to the visiting backfield men and made sure tackling uncertain. With the substitutes in action in the third and fourth periods Harvard's ill reserved much of its offensive strength. The defense, however, was wasked to considerably.

Colby handled the forward pass well, netting a total of 40 yards on three throws out of seven attempts. Harvard ilet this phase of the offensive game alone.

PENNANT RACES IN MAJORS NEARING A CLOSE Red Sox and Phillies Almost Sure Contenders in World's Series.

With less than two weeks of the season remaining, the pennant races in the major leagues have assumed who wish to witness all the games of the coming world series are consult-ing timetables that show the train schedules between Philadelphia and Boston. Alexander, of the Philadel-phia Nationals, and Shore of the Boston Americans already have been tentatively assigned by the prophetic writers of the sporting columns to pitch the opening game for their respective teams.

The Detroits cannot win the Amer-

ican league pennant unless they win all their remaining games, while the Red Sox are dropping seven out of the ten they have to play. The mere citation af these figures show how slim is the probability of an upset. The Phillies have only to capture three of the nine games left on their schedule in order to place themselves in the premier position at the season's end. Their series with Boston and Brooklyn still remain to be played, but Pat Moran's men have little reason now to be worried about the outcome of these games. Eoston and Brooklyn are the com-

petitors for the second place in the National league, with the chances favoring the Braves. YALE TROUNCES MAINE.
